

Prep for Competitive (Rep) Skates

Notes: Players must be of the age group to participate in a session. Players are welcome to attend Prep skates (and pay the fee) but NOT tryout.

All players planning on attending Prep skates must register on our website prior to attending. Click on the Prep for Competitive registration link.

- **U9 and Under:** First skates have been scheduled later in the month. The OGHA does not offer Competitive (Rep) teams at these age groups.
- **U11:** For players wishing to try out at this age group, it is **mandatory** they attend a minimum of 4 sessions before tryouts begin.
- **U13, U15 and U18:** For these age groups, it is recommended they attend at least 2 of the scheduled sessions before tryouts begin.

Questions about Competitive (Rep) teams can be directed to Paul Mammoliti, the Director of Competitive Hockey for the OGHA, or to individual coaches by clicking on this link: [2021/2022 OGHA Competitive Coaches](#)
