

Thank you for registering your team for our tournament!

We do not do any organizing of hotel accommodations for the tournament but there are a couple choices locally and a few more about 30 minutes away.

We have a Best Western Plus in Orangeville which is located centrally to the arenas as well as local restaurants and stores.

There is Hockley Valley Resort close by, which is very nice, but expensive (519) 942-0754

There is a new hotel, Mount Alverno Resort, located 9 minutes outside of Orangeville. Their website is [Mount Alverno Resort](#)

There is a Hampton Inn being built on Highway 10 in Mono, just 2 minutes outside of Orangeville. It is expected to be open in September. [Hampton Inn & Suites - Orangeville](#)

Otherwise, teams usually stay in the north part of Brampton, Fergus or Bolton which are about 30 minutes away.

In the past I have suggested the Courtyard by Marriott in Brampton.

It has a pool and is close to a lot of restaurants and stores and Costco.

It is right by Steeles Avenue and the #410 highway, which is the highway you would travel to and from Orangeville.

Teen Ranch is a camp facility that has bunk rooms in a camp style facility (most sleeping accommodations are bunk beds and you are required to bring your own sleeping bag/bedding for your stay). This is located very conveniently on Highway 10, just outside of Orangeville and is central to all of our arenas. There is no alcohol allowed on the property of Teen Ranch. If you feel that this might work for your team, please email me and I will put you in touch with them, do not contact them directly. <https://teenranch.com/facilities/>
